

# #34 COIL & FIN CLEANER®

RCD #34 Coil & Fin Cleaner® cuts through dirt, dust, and other debris found in evaporator and condensing coils. Its foaming action provides excellent vertical hold that liquefies and drains away within minutes. Regular coil cleaning increases operating efficiency, lowers cost of operation, and promotes energy efficiency. Clean coils and filters, save energy, and improve indoor air quality and comfort.

- **Non-Acidic**
- **Water-Borne**
- **Low Odor**
- **High Foaming**

## Application

Spray directly onto exposed coils and fins and allow to set for 5-10 minutes. Rinse with clear water when possible. Repeat if necessary. Use a clean Fin & Plenum Brush® to remove stubborn debris, being careful not to bend or damage fins. If rinsing is not possible, spray coils again to rinse away debris loosened from first application. Be sure to check drain lines for blockage. Allow evaporator coils time to dry before restarting system.

### Use to clean:

- Permanent Washable Air Filters
- Washable Electronic Air Cleaners
- Heat Pumps & Air Conditioners
- Refrigerators & Ice Makers

**Catalog Number:** ..... 300340  
**Net Weight:** ..... 18 oz. aerosol spray can  
**Shelf Life:** . . . . 12 months (unopened container)  
**Storage Temperature:** ..... 45°F to 90°F

## Caution

## Precautions

It is the applicator's responsibility for the design, use and storage of all building materials, including RCD Corporation® #34 Coil & Fin Cleaner®. Store at recommended storage temperatures (45° to 90° F.) Rotate inventory using first in first out method (FIFO). Protect from freezing. Do not spray onto energized circuits. Avoid contact with eyes. Occupants and users who are chemically sensitive, prone to allergic reactions, are asthmatic, or have respiratory ailments of any kind should consult their physician before coming into contact with aerosol products.

## Warranty

Since methods of application, storage, and on-site conditions are beyond RCD Corporation's control and can affect performance, RCD makes no warranties. All other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose, are disclaimed. It is understood and agreed that seller's liability, whether in contract, tort, warranty, negligence, personal injury, wrongful death or otherwise, shall not exceed the return of the amount of purchase price paid by the purchaser and under no circumstances shall seller be liable for special, indirect or consequential damages. The price for the product is consideration in limiting seller's liability.
